

111M

Llaves planas combinadas métricas con acabado cromado

DETALLES DEL PRODUCTO

- Diseño de vástago en forma de U patentado para un uso cómodo
- Mejor accesibilidad gracias a una cabeza más fina con una boca abierta angulada de 15°
- Mejora del agarre y el espacio para los nudillos con la boca cerrada angulada de 15°
- Marcado más grande y bi-direccional de los tamaños que facilita la identificación
- SB: Embalaje en blíster con información del producto
- Mayor vida útil de tuercas y tornillos con el perfil Dynamic Profile™ de 12 puntos
- Acabado micromate cromado para una superficie de gran calidad
- Acero aleado de alto rendimiento
- Lectura e identificación optimizadas con un marcado nítido
- Permite acceder fácilmente a lugares difíciles
- Normas: ISO 691, ISO 7738, ISO 3318, ISO 1711-1 y DIN 3113
